How to Apply to Lubelskie (2028–2036 Draft)

ERDF layer

- Priority: infrastructure, mobility access, low-carbon operational upgrades.
- Indicative band: **EUR 28–57m** per package.

JTF layer

- Priority: vulnerable groups in transition (low-income households, maintenance and mobility workers).
- Indicative band: **EUR 14–26m** per package.

Combined design rule

- One regional package, two funds, clear sequencing from ERDF to JTF, no budget overlap.
